PSE Summit
New Delhi

Proposed Programme Outline

1600 – 1710 hrs : Valedictory Session : Future of PSEs

Today PSEs are fraught with issues relating to governance, autonomy, multiple authorities, conflicting expectations of different stakeholders, competing with private sector without corresponding flexibility of operation. There is a need for better collaboration to unlock value, leading to the creation of a vibrant ecosystem of shared resources amongst them. This Session will try to unshackle the management of PSEs to attain increased efficiencies, optimize operations to capitalize on the opportunities that lay ahead. Based on the deliberations an implementation framework would evolve to be pursued with the stakeholders by the Council for the future of PSEs
